The order in relation to Lieut Horn and his detachment has been received at this Bureau. On the 13th day of August I furnished Lt Horn the necessary instructions and orders to proceed to the Counties of Anderson Cherokee Smith Rusk Panola & Shelby to impress Negroes for the proposed fortifications at Niblett's & other points on the Sabine River. I also gave him the means for his necessary expenses. I do not know at present where an order would reach him. He left Rock Hill on the 15th

Lt Horn informed me that he would not be able to accomplish any thing in regard to the deserters in Grimes Co. for some time as he had made arrangements with the Neighbours to furnish him information when he believed the removal of the Command would be of advantage and facilitate his movements.

I again enclose the bill of the Sheriff of Grimes County for fees against Negroes in holds in jail, belonging to the Planters of Texas, and who escaped from Confederate service. This Bureau was not notified for eight months after the arrest of the Negroes of these Negroes, I sent an agent to Anderson and the sheriff refused to receive Confederate money except at a depreciated rate. There being no funds in the Bureau. I tendered a Certificate which was refused and the Negroes still there, the expenses increasing daily I respectfully submit the matter for the consideration of the Maj Genl Commdg. This is not a solitary case, but it is occurring daily. Often I receive these fees ranging from 5 to 10 for Confederate money.

Hon. Dan. Hall Esqr. U.S. Att.
Houston March 1. 1844.

Sir

I have the honor to advise that, in accordance with your
request I have examined the papers submitted to me, in regard
to a claim from the Government, now lodged in the
County Jail, and the facts elicited by that examin-
ation are as follows.

The great difficulty in this case
is the fact, that the State Laws authorizing the taking up
of Jail and Negro property at large without bail or bond
and fixing Certain fees as well as the rate of board
therefor, Contradicts the Laws of Congress, Sold & Delivery alone is a
Compliance with the Legislature having failed to
make any provision in such case, the Sheriffs Claim Com-
mences from the moment of the arrest & delivery
to him.

You are then left to
decide with the facts herein before set forth, and
should it think the Government responsible, under
the Circumstances can be done on the part of the owner
of the Negro Man in this Instance, I will
notify him (Negro Man in this Instance) & notify
Major Benson and by a Circular letter addressed to
the Sheriffs of the Republic, which might be notified thro'
the Papers of the Country, requesting all persons
having Negroes claiming Slaves in the Jail
of Sheriffs Sales to appear

All of which is respectfully submitted.

Captain

I understand that it is in contemplation to make a change in the Company detailed for duty in collecting and forwarding the Slave Labor for the Government - I can not but express my regret that the Officers known to me, and in whose judgment and intelligence I feel I could rely with the utmost safety, should be substituted by those, who may, it is true possess even superior merits to those assigned previous to duty, yet as they are unknown to me I am reluctant to hazard both the Civil and Military proceedings that might result from the indiscretion of those charged with the performance of this duty - I am willing in this, or in any other duty to give my time and what abilities I possess to their discharge, upon even the expressed wish of the Major Genl Comdg but would much urge as a request, that in this duty which requires the utmost prudence, both to protect myself from actions at Law, and reduction to the ranks under the provisions of the impressment that I should be allowed the selection of those upon whose judgment and discretion I can rely - If the Company can not be spared from the Regiment I would be pleased to have Capt L. C Armstrong and Lieut J. B. Woodyard detailed for duty with me. The Company I understand has but about forty men for duty -

I would again call your attention to the embarrassed position in which I am placed under my view of the Law, which is that no impressment of Slaves can be made, without the rules and regulations in reference to the manner, are first established by the Secretary of War -

Sir

I beg leave to call your attention to an order No 152 requiring all extra duty men except those specially required to report at once to their respective companies. I desire to know if this applies to those employed by me in the Labor Bureau, and in collecting Negroes for Govt Service. I do not believe it does, but some of the Commanding Officers put a different construction upon it. I therefore desire an order to retain them in the service of the Bureau. Lt Hamm who with a detachment of men was ordered to Report to me for duty, and Dept to Anderson and Cherokee Counties has informed me that his Comdg Officer has directed him to return. This will produce serious inconvenience unless I am permitted to retain them and send a Commissioned officer upon their return. I am informed by the Commissary that orders have been issued to furnish rations for Five Hundred Negroes to be congregated at Huntsville. I have not yet received any orders for any Negroes to be sent to Millican, but if such a number is desired I will require Lt Hamm to at once collect them in the adjoining Counties and forward them as directed. I will also require another detail to guard the ferries as high as Logans Ferry to intercept the Negroes now being brought from Louisiana & Arkansas. Lt Hamm is now in Anderson County and I can direct him to proceed at once with all the Negroes he may collect

[illegible] ferry or Dalzell Town – A detail with One [illegible] Negroes left Palatka on last Friday for this place [illegible] a courier to detach them to be forwarded to [illegible] mark and I send by to day Train One Hundred [illegible] Fifteen Negroes of them being from Gainesville – I directed [illegible] Carver to report to you or Col DeLaKoverka for [illegible] and for the necessary details to collect Negroes [illegible] immediate vicinity where they may be needed.

I have also sent Capt Armstrong to procure [illegible] instructions as to the number of Negroes now required [illegible] forward by Rail I can make any arrangements [illegible] the demand as I understand two Negroes cannot [illegible] one platform car.

I have just been notified that Brig R. F. Ash of Menards - Unattached Cavy Co is ordered to report without the least delay to his Company.

I would reply State, that Mr Ash is one of the few good Carpenters on the road, and that it is almost impossible to dispense with his Services, and would therefore most urgently ask that he be allowed to remain where he is.

I understand that his Company are to perform Courier Service between Beaumont & Alexandria

Houston Texas June 14th 1864

Sir

My attention having been directed by General Orders No. 114 from District Head Quarters dated Houston Tex. June 9th 1864, publishing General Orders No. 93 from Headquarters Dept. of Texas, referred to detailed men employed in Medical Dept. I have the honor to state that I have in my employ Private F. A. Ball of Battery Andrews unattached Cavalry Company detailed as Clerk in this Office by Special Orders No. 89. Par. VIII. from District Hd Quarters, dated Houston March 7th 1863. I find it impossible to dispense with his services, as his place cannot be supplied at present from those physically unable to perform field service, as the duties required, necessitate in a Clerk, and Convent with Andrews. Mr. Ball has been recommended to the Honorable Secretary of War for the position of Hospital Steward in the Medical Corps, and removed to Field Hd Qrs for an Acting Appointment until his application to Richmond could be heard from, and as the good of the service requires his continuance in his present position, I would respectfully request an Order allowing me to retain him until his application for appointment be heard from.

The records show that James M. Daly, private, Captain W. F. Dunn's Company Cavalry, Colonel Baker's Command, which subsequently became Captain Dunn's Company, Waller's Regiment Texas Cavalry, Confederate States Army, enlisted 26 October 1863 in Brazoria County (Texas). The Company Return for December 1864 shows his absent "Furlough to Travis Co. 60 days from Nov 2 1864" and no later record of him has been found.

This collection of records is by no means complete and failure to find an entire record of Confederate military service does not indicate necessarily that an individual did not serve at some period not covered by the records.

Fifty years of age, & it has been for months in

State of health, & doubtless you will be convinced
that his services to the Government will be

Thanking you for your generous patriotic spirit, & devotion to all the interests of our bleeding country, I most respectfully submit this my application to your decision.

The records show that one N. Cochran, a private of Captain W. Rose Jones' Company, 1st Regiment Texas Lancers, which subsequently became Company K, 21st Regiment Texas Cavalry, Confederate States Army, enlisted 15 March 1862, in Austin County, Texas and discharged 7 April 1862.

The records also show that Nathaniah Cochran, a 2d Lieutenant of Company C, Waller's Regiment Texas Cavalry, Confederate States Army, entered the service 3 May 1862, at Hempstead, Texas. The company muster roll for 31 January to 29 February 1864, latest on file, shows him absent "Detailed in Command of horses by order Genl Magruder." No later record of him has been found.

This collection of records is by no means complete, and failure to find the entire record of Confederate military service does not indicate necessarily that an individual did not serve at some period not covered by the records.

Sir.

Having understood that Mr Randle had been granted permission by the major. Genl Comdg to raise a Battalion of Six Companies and having the position of Captain by Mr Randle should I raise a Company, I would respectfully request of the Genl Comdg that my present sick furlough be extended Sixty days in which time I should certainly be enabled to organize a Company of men between the ages of 16 and 45 years for Randles Battalion - My furlough has been seven times prolonged on account of my health which is not yet sufficiently restored for my return to my Command (Wallers Battalion Terrys Brigade) and with the addition of sixty more days I feel confident in raising a Company - I showed the Genl Comdg present the application -

Very Respectfully

Head Quarters Cavalry Corps
D.T.V.a., Dec 15th 1864

Colonel:

I would respectfully recommend and request that O. P. Crosby, private Co "E" 8th Ill. Battalion of Cavalry, be detached Hospital Steward and be ordered to report to me for duty. Private Crosby is a well qualified Druggist and can be of great service to me on duty in that capacity for my command in the field. In addition to his medical qualifications he has considerable executive ability which I require the attention of some person who can give them more constant attention than I can give, besides I desire his services.

I am Very Respectfully Your
